Dear Mr. Jurzyk,

Secretary:

Michelle A. L. [REDACTED]

Thank you for caring! Your generous \$30 donation in support of the CT Basket Brigade enabled over 500 families to have a truly memorable Thanksgiving.

Immediate Past Chairperson:

Louise R. [REDACTED]

Each year since 1993, an outpouring of generosity from individuals like you allows the CT Thanksgiving Basket Brigade to feed hundreds of families for Thanksgiving. With help from several nonprofit organizations serving vulnerable children and families such as Coordinating Council for Children In Crisis (CCCC), over 200 volunteers spend a day organizing, filling and delivering food baskets directly to the homes of families in need. At CCCC, families are struggling with issues of family violence, substance abuse and mental illness, and often times struggle to put food on their tables. Because of your generosity, 103 families at CCCC and hundreds of other families in the greater New Haven and Bridgeport areas were able to celebrate the holiday with a delicious dinner.

We would like to thank you for your generous gift of \$40.00 supporting the Connecticut Burns Care Foundation, Inc. 4th Annual Antique/Classic Car & Motorcycle Show.

For the last 35 years, the Connecticut Burns Care Foundation has grown in stature as a leading educational and funding resource in support of burn safety and prevention and burn care. In 1991, the Foundation established The Arthur C. Luf Children's Burn Camp for severely burned children between the ages of 8 and 18. This burn camp is the only one of its kind in the Northeast and all of the children attend free of charge. The Foundation also raises funding for its "Teen Smart Choices Program", sending a speaker to Connecticut high schools to get the message across to teens about the importance of making the right choices while drinking and driving, helps provide funding for state-of-the-art medical equipment and facilities at the Bridgeport Hospital Burn Center and contributes to research projects to benefit the treatment and care of burn survivors. The Foundation also underwrites the Dr. Walter E. Pleban Lecture Series for burn unit medical staff.

Your continued support enables us to continue to fulfill our mission to offer services to burn survivors. You are helping us make an important difference.

The Connecticut Burns Care Foundation Inc. is a 501 (C) 3 organization. This donation is 100% tax deductible. Please retain this letter for tax purposes.

Sincerely,

Dear Richard,

On behalf of the Neighborhood Housing Services of New Haven Board of Directors, I would like to thank you for your generous contribution of \$300 for a Business Card ad in the 2010 Annual Meeting program. It is through your continued support of our programs that NHS is able to sustain the high quality services we provide for low-income first-time homebuyers who want to become successful homeowners.

Hosting the meeting at the campus of NHS was particularly meaningful to showcase to our guests how our recent expansion now comfortably accommodates the growing number of clients we are serving. With our comprehensive homeownership programs and hands-on home repair/energy conservation learning center, NHS is pleased to meet the on-going needs of New Haven's residents.

Thank you again for your support. We plan to email you a copy of the 2010 Annual Meeting program and the 2009-2010 Annual Report shortly.

Sincerely,

James A. P.
Executive Director

Dear Rick,

Over the last 17 years we have seen so many changes at Neighborhood Music School. Students have grown into professional artists, scientists, teachers, reporters and so much more. Our adult population has expanded and their lives enriched with course offerings that capture the breadth of interests and cultures among our families. Our building has been renovated and our student body and faculty has expanded, including a significant increase in the number of families who participate with the help of financial aid. You are a huge part of all these changes.

Even more, you play a vital role in shaping the future of NMS. Your support allows us to continue the momentum of the last century, offering diverse and high-quality programs to all members of our community regardless of skill, economic means or age. There is something for most everyone at NMS, and you make that possible.

The coming year is sure to be filled with celebration and extraordinary moments for you, your family and the entire NMS community. As I bring my years at NMS to an incredible finale, I hope to see you at recitals, concerts and the many special events celebrating this wonderful community that I have grown to love.

Thank you for your enduring support. I'm looking forward to a wonderful year with you.

Best regards,

Larry Z.

Thank you very, very much. You did a great job, we have not had heat in the kitchen for years. Our oil company service company said there was nothing they could do, so we are really grateful to have it working.

I am sorry about the payment delay. I had marked that I paid it, but when I looked in my checkbook I was embarrassed that my memory had slipped again! I turned ~~it~~ last July and it's hard to remember. Sincerely, Patricia
